Soft Skills

- ❖ Teamwork
- ❖ Communication
- ❖ Problem-Solving
- ❖ Creativity
- ❖ Flexible
- ❖ Time Management
- ❖ Adaptability

Profile

I am a Software Engineer with 6 years of hands-on experience as a Full Stack Developer. Proficient in designing, developing, and updating existing software, and implementing new software solutions that integrate front-end and back-end technologies. Seeking a challenging role where I can leverage my expertise in building scalable and innovative web applications, collaborating with cross-functional teams, and contributing to the continuous improvement of software development processes. Committed to staying updated with the latest industry trends and technologies while delivering high-quality code and exceptional user experiences.
